HIGH-TECH HELICOPTER BECOMES A SINISTER PURSUIT PLANE!

The *VENOM SWITCHBLADE* is truly a specter of evil, a threat to every *MASK* vehicle and agent. The cockpit has an opening canopy, and copter blades rotate at the touch of a button. But the *SWITCHBLADE* has an even more lethal form! Rotor blades fold back, and the *SWITCHBLADE* has an even more lethal form! Rotor blades fold back, and the tail fin can be rotated to release snap-out plane wings. Dual laser cannons automatically pop out of the nose section, and landing skids become wing-mounted launchers for

energy bolts. Complete with one torpedo missile, the *VENOM SWITCHBLADE* becomes an awesome pursuit plane headed for a showdown with *MASK!* *SWITCHBLADE* also comes with an articulated *MILES MAYHEM* figure, the vicious evil leader of *VENOM*. His special removable *VIPER* mask allows you to pretend he can neutralize enemy attacks by emitting powerful, invisible poison. Ages 4 and up.
