

FIGHTIN' CRIME IN A FUTURE TIME!

ZAP . . . BANG!

It's the 21st century, and organized crime has gained the upper hand in its struggle with the law! Under the influence of the CROOKS, crime has spread across the country like wildfire! Police agencies from around the nation have been unable to stop the CROOKS unchecked criminal activities! Everywhere, there is fear that a total collapse of law and order could happen at any time!

As a last ditch effort to turn the tide in their favor, law enforcement officials have assembled the ultimate anti-crime task

force . . . COPS (Central Organization of Police Specialists)! With the help of high-tech, futuristic accessories and vehicles, they right the wrongs committed by notorious gangsters - known simply as CROOKS - while restoring law and order to crime-ridden areas!

All COPS and their vehicles have a unique cap-firing weapon that creates a big bang effect for cross fire fun! The chase is on as the COPS try to "rub out" the CROOKS once and for all!

EACH FIGURE HAS A BIG-BANG, CAP-FIRING ACTION MECHANISM! INCLUDES ROLL OF CAPS.
